1997

It was time to diversify and the company decided to manufacture SAW pipes in Dahej, Gujarat

This was when Welspun Gujarat Stahl Rohren Ltd. was born

Oil and natural gas were transported using the pipelines established in India and the Welspun saw this as an opportunity and embarked into making Submerged Arc Welded (SAW) pipes for oil and natural gas pipelines

2001

A JV with the world's second largest pipe coating company 'Epoxy Coatings GmbH', Germany was set up for coating

In 2001 a JV with Epoxy Coatings GmbH, Germany was set up for coating

Commercial Interior Designing

To cater to the specific, high quality, efficient designing requirements of the commercial establishments, we have highly efficient and expert designers.... making things the ways the clients need and have imagined. Creating reality from imaginations!!
